
Mongoose Kos Kruiser Serial Number

i have a 87 m3 super 1106 and i think that m is the month and the six digit number is the year and month of manufacture. i have not been able to find any documentation to support that though.i dont have the frame numbers on any of these bikes. i have a 1981 m3 super 1106 and i believe that m is the month and the six digit number is the year and month of manufacture. i have not been able to find any documentation to support that though.i dont have the frame numbers on any of these bikes. i have a 1980 m3 super 1106 and i believe that m is the month and the six digit number is the year and month of manufacture. i have not been able to find any documentation to support that though.i dont have the frame numbers on any of these bikes. i have an original 1982 m3 super 1106 and i believe that m is the month and the six digit number is the year and month of manufacture. i have not been able to find any documentation to support that though.i dont have the frame numbers on any of these bikes. we have the same bike, except for the frame numbers. the serial number is listed as m3-209999. i believe that m is the month and the number is the year and month of manufacture.i have the frame numbers listed on the front of the seat tube, although it is hard to see, as it is almost completely covered with tape. there is a "r" on the frame number, which i believe means that it was manufactured in rickmansworth, which is where the m3 factory was at the time.this was a great bike for those who like to ride in the dirt, and it got me back into bmx in the late 80's. it was made in the u.k. for the north american market.i got mine from ebay in 2006 for a cool \$1800. i paid \$650.
