When you activate the feature of Tokyo Expose, desktop name on desktop show up. 7. Desktop Background It is feature of Tokyo Expose. When you hover mouse over the desktop, desktop background will show up. The desktop background is shown while other windows

System Requirements:

While most of our users can run the game on lower-end systems, there are a couple of things that need to be done in order to achieve an optimal experience. Windows XP or later (32-bit or 64-bit), or OSX 10.9 or later 1GHz CPU (or faster) 1GB RAM 20GB HD space * If your graphics card can handle DirectX 9 or OpenGL 3, you can get away with a slower CPU. However, the game will run much smoother if you upgrade to an Intel
